AI VIDEO PRODUCTION

Ideas, brought to life with AI.

We create AI-powered videos
for brands, campaigns,
products and social media.

From the first idea to the final
edit, the focus is simple:

**Make the video look good,
feel intentional and communicate clearly.**

WHAT GOES INTO EACH VIDEO

We handle every step with intention, from first idea to final frame.

Strategic creativity meets advanced tools and expert craft.

Iterate, refine, and elevate.

The result is a cohesive film that feels seamless from start to finish.

WHY AI VIDEO

More freedom to create
without the usual limits.

- Large sets
- Multiple locations
- Complex shoots
- Special environments
- Heavy production setups

AI video unlocks more **creative possibilities**
with a process that stays **flexible** and **efficient.**

BUILT AROUND THE IDEA

10 SEC → Sometimes a strong idea works best in 10 seconds.

30 SEC → Sometimes it needs 30.

60+ SEC → Sometimes the story deserves a little more time.

So our pricing is based on the **length and scale** of the final video.

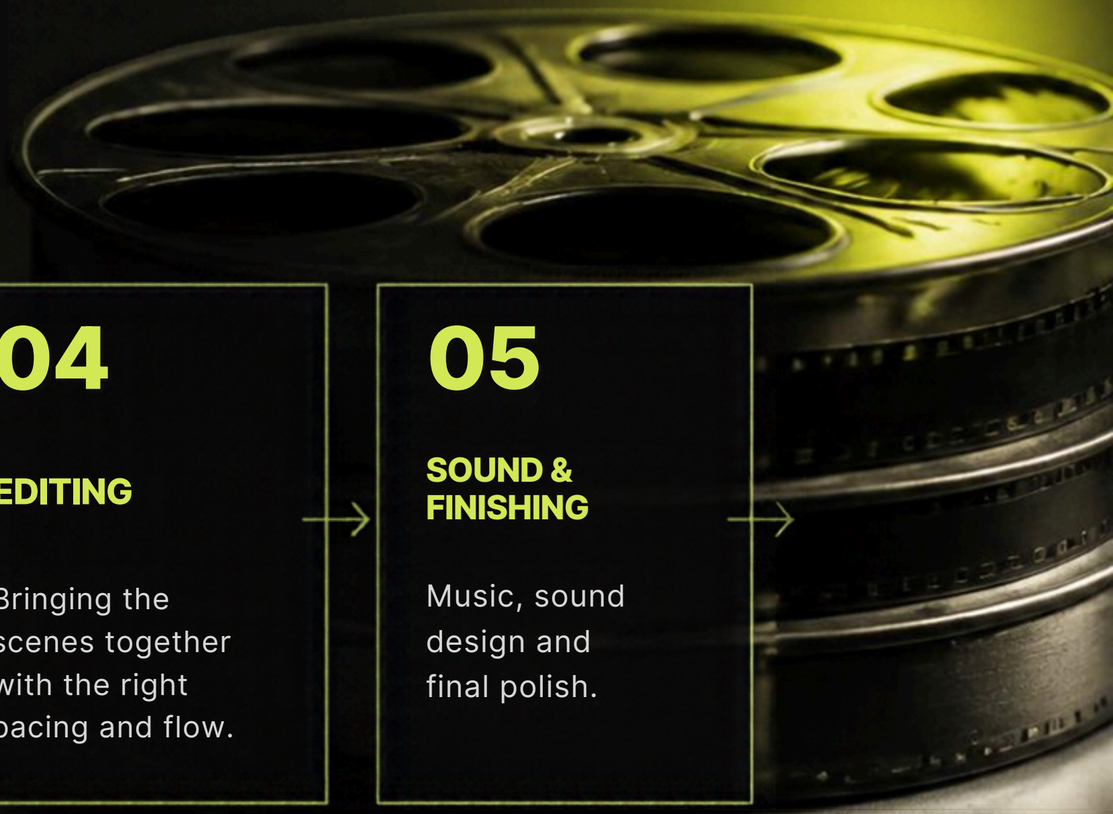

PRICING

Up to 15 seconds	Up to 30 seconds	Up to 45 seconds	Up to 60 seconds
₹5,000	**₹10,000**	**₹14,000**	**₹18,000**
Ideal for short social videos, product moments, announcements and quick campaign creatives.	Ideal for ads, brand stories, product showcases and social campaigns.	Ideal for more detailed storytelling, campaign films and concept-led videos.	Ideal for complete brand films, product stories and longer narrative-driven content.

WHAT YOU GET

Each project includes the complete production process required for the final video.

01

CONCEPT UNDERSTANDING

Understanding the brief, product and communication.

02

VISUAL DIRECTION

Building the overall look, mood and visual language.

03

AI GENERATION

Creating and refining the required shots.

04

EDITING

Bringing the scenes together with the right pacing and flow.

05

SOUND & FINISHING

Music, sound design and final polish.

ONE PROCESS. ONE FINISHED VIDEO.

MORE THAN JUST GENERATION

It’s not about how many clips AI can make.

It’s about knowing which shot works.

Knowing which one does not.

Knowing what should come next.

Knowing how long a moment should stay.

Knowing what makes the whole film feel connected.

AI creates possibilities.
Creative direction turns those possibilities into a video.

FLEXIBLE BY DESIGN

Reimagine scenes with ease.

Change locations in seconds.

Evolve visual styles effortlessly.

Place products in **any environment**.

More flexibility to explore,
refine, and land on what's right.

THE SIMPLE VERSION

- You share the idea.
- We understand what the video needs to communicate.
- We build the visual world around it.
- We create, refine and edit the film.
